Municipal Bonds and Rising Rates: 3 Considerations for Investors

Muni bonds have successfully weathered periods of rising rates—and delivered consistently positive performance—through the years.

Q&A: The Russia-Ukraine Conflict and the Energy Market
We spoke with Lord Abbett research analyst Andrew Bernstein about the potential impact on global supply, oil and gas prices, and energy-related investments.

The Great Wealth Transfer: Estate and Legacy Planning
At our recent webinar, we discussed the new rules that apply to inherited retirement accounts.

Gauging the Impact of Rising Inflation and a More Aggressive Fed
With U.S. inflation accelerating, the Federal Reserve is likely to mount a stronger policy response. Here’s what it may mean for key asset classes.

Revisiting Strategic Cash Management
As yields move higher, short-term bonds may present a compelling alternative to cash allocations.

2022 Investment Outlook: Building on Strength
Lord Abbett thought leaders offer their perspectives on the factors set to influence global economies and markets in the year ahead—and identify the investment opportunities that may emerge.
Our Approach to ESG Investing

We invest for our clients with the intent of supporting their values, making a positive impact, and providing financial security for generations.
