DETAILS

The TUI Group has received in total €4.3bn from the German state for its airline, cruise, hotel and travel agency operations. While the Group is made up of different activities, it is impossible to know what share will go to the airline sector. However its Q1 2020 revealed that 82% of its revenue came from "Markets and Airlines" and on that basis, €3.526bn (82% of €4.3bn) was added to this tracker.
