**BECAUSE A FAIR PRICE IS SOMETHING
YOU CAN AGREE ON – NOT HOPE FOR**

Fair fares

En

Ride control

Total transparency brings back the feeling of control.

- passengers are free to choose any driver: by rating, car, pick-up time, and price offers
- drivers can see the exact route before accepting

Safety first and for everyone

- route details are open info
- real-time location sharing for passengers and drivers
- 24/7 chat support
- emergency button is always at hand

Day by day, many more safety features become available

En

inDriver was created because of injustice. For ten years, we've been helping people and communities negotiate and come to an agreement. Thus, creating equal & fair opportunities for development and prosperity
