INTEGRATED ANNUAL REPORT

Integrated [Annual Report](#)

With the annual publication of the Integrated Report, we aim to offer a transparent overview of our performance towards economic, financial, social, environmental and governance matters. This document reflects our firm commitment to maintain a strategy in line with the sustainable development principles.

To elaborate our Integrated Report we follow the most recent frameworks published by the International [Integrated Reporting Council](#) (IIRC). We also follow the guidelines on Corporate Responsibility from the [Global Reporting Initiative](#) (GRI).

The Integrated Reports published to date have been externally verified by an independent entity, in accordance with the ISAE 3000 standard.
