

General Mills: total number of employees worldwide 2008-2021

Published by [Nils-Gerrit Wunsch](#), Sep 2, 2021

General Mills added substantially to its employment base over the years, growing by a third from 2008 to 2021. In May 2021, the corporation employed approximately 35,000 part-time and full-time employees around the world.

General Mills

The food giant General Mills is based in the United States and operates some of the most popular and iconic brands in supermarkets all across the world. A few of their most success brands are Cheerios, Betty Crocker, Gold Medal, and Pillsbury. Between 2014 and 2017 the company experienced a decline in net sales worldwide. However, [General Mills global net sales](#) between 2017 and 2020 have exhibited a positive trend.
