About TRIANGLE

We are who we are. And we are hear! We are all different and unique. And if everyone is different, are then not all the same. We have the freedom to accept ourselves the way we are and you do too. So let’s embrace this diversity together. And let’s simply learn to appreciate the differences in our figures, shapes, colours and sizes. With fashion designed for all: me, you, us. With a brand that is against normality and for diversity.
