Wax For Life

When you buy a Barbour, you’re investing in a companion for life. Something to be passed down the generations, picking up patches and stories as it goes. When it’s time for a re-wax, you can use one of our home care kits, or send it to be lovingly restored by our craftsmen in South Shields.

It's in our Summer Way of Life

Join us as we escape, getaway with family and friends in the great British summer time. Celebrate the season with lightweight fabrics and uplifting pastel colours that highlight the very best of the warmer months.

This is an invitation to live our Barbour Way of Life this Summer.
