The first boot was born on 1 April 1960 in Wollaston, England, and was so called the “1460”. The 1460 boot began the brand’s journey to become one of the most recognised footwear brands in the world. Our products are worn by a diverse consumer base who use Dr. Martens as a symbol of their individual self-expression. Dr. Martens operates across three geographic regions: EMEA, Americas and APAC. Our product segments include Originals, Fusion, Kids and Casual and a complementary range of Accessories.
