We’re guiding a global community towards more purposeful materials production.

We guide and support a growing community of over 800 brands, manufacturers, farmers, retailers, and others committed to climate action toward more purposeful production from the very start of the supply chain.

Gap Inc.

Singapore Fashion Council
Become a member

Textile Exchange members come together to create a more sustainable and responsible fiber and materials industry and access learning opportunities, tools, relevant data, insight reports, industry networks, and more.
