#### HOW CARBON FOOTPRINT ACCOUNTING & REPORTING BENEFITS SMBs: EXPERTS WEIGH IN

December 10, 2018 by: Guest Author

Is it time for your business to take carbon footprint accounting and reporting seriously? Many small and medium-sized businesses have yet to calculate their impacts and risks. Here, two experts discuss the financial and business benefits of reporting your carbon footprint.... [Read More](#)

#### GLOBAL DEMAND FOR ORGANIC PRODUCTS DRIVES 'MAINSTREAMING,' ECOVIA FINDS

December 10, 2018 by: Jennifer Hermes

Growth in the global organic products market has continued in 2018, with North America consolidating its pole position. Ecovia Intelligence projects regional organic food and sales to surpass \$50 billion for the first time this year. Consumer demand, acquisitions, growth of private label brands, and multinational companies are all helping... [Read More](#)
