PROVIDING PAYMENTS TO THE VICTIMS OF THE TAZREEN FIRE

Menu

## Donors

The Tazreen Trust Fund has been set up in Bangladesh in order to collect donations towards the cost of paying the awards calculated during the claims process.

We particularly encourage donations from brands and retailers that had a business relationship with the Tazreen factory prior to the fire. To ensure that the trust is fully funded, we invite voluntary contributions of a minimum of US \$50,000. A higher minimum contribution of US \$100,000 applies to larger companies (e.g., with revenues over US \$1 billion). All donors and the amounts of their contributions will be recognized and listed on this page.

The administration costs associated with establishing and running the claims process are being funded separately by [C&A Foundation](#). This means that 100% of any contribution made to the Fund will go directly to victims of the Tazreen fire.

If you would like to contribute to the fund please contact [fund@tazreenclaimstrust.org](mailto:fund@tazreenclaimstrust.org)

Current donors to the fund are:
