Modern Slavery Act Statement (UK)

(pursuant to Section 54 of the United Kingdom Modern Slavery Act 2015)

We are committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business.

(a) Organisation structure and businesses

For a description of our organisation structure and businesses, please refer to our latest Annual Report. Our UK assets are held via special purpose companies or Jersey Property Unit Trusts.

Our UK Management office is located at Floor 1B 80 Hammersmith Road London W14 8UD.

(b) Policies in relation to modern slavery and human trafficking

To ensure that our values and ethics are upheld throughout our supply chains, as and when material supply contracts are entered into or renewed, we review whether our suppliers have adequate safeguards against modern slavery or human trafficking.

(c) Due diligence processes in relation to modern slavery and human trafficking

In addition, to reinforce a culture of good business ethics, we have a Whistleblowing Policy to encourage the reporting, in good faith, of any suspected improper conduct, including possible infringements of applicable labour, modern slavery and human trafficking laws, while protecting genuine whistle-blowers from reprisals. Please see our Whistleblowing Policy page and for queries or to make a report, please write to reporting@mapletree.com.sg.
