

Modern Slavery statement

Modern slavery is a crime under the Modern Slavery Act 2015 and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain. Advent Capital Holdings Limited and its subsidiaries ("we") have a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains or in any of our third-party outsourced arrangements.
