How to avoid investment scams
13 SEPTEMBER 2019 | BLOG POST

Over £197 million was lost to investment scams in 2018 in the UK. It’s big business for fraudsters and victims were scammed out of over £29,000 on average. Sophisticated techniques are used by criminals to gain people’s trust and get them to invest in bogus investments. But by following a few top tips and knowing what to look for, you can avoid becoming a victim.

Financial Services Compensation Scheme

We’re covered by the Financial Services Compensation Scheme (FSCS). This means that any money you hold in a TSB account is protected up to a limit of £85,000 - so you won’t lose out.

Is someone asking you to move your money?

Never transfer money to, or share passwords with, someone you don’t trust. This includes people online you’ve never met, too-good-to-be-true investments, and companies asking you to transfer funds directly to them.
