

THE SEW GOOD PROJECT

Taking an active role in local communities affected by disaster or socio-economic circumstances, TFG has donated nearly 200 000 blankets to South Africans in need. TFG's "Sew Good Initiative" forms part of the group's shared value strategy that spreads warmth through...

SOS CHILDREN'S VILLAGES

TFG has chosen to partner with SOS Children's Villages in the work we are doing in Africa. By partnering with one organisation that delivers to all the countries we operate in we are able to ensure consistency, scale & impact. The countries we have chosen to...

FABIANI

Fabiani, in partnership with the TFG Foundation, has reached its R1m milestone in support of much-needed initiatives at The Red Cross War Memorial Children's Hospital. The brand, well known for the trademark feature of every finely crafted shirt, a last Red...

@HOME

Heart of @home is an @home initiative that combines our passion for the home with our commitment to helping build better communities. Launched in 2017 as the result of an extensive engagement process with all @home employees to establish how they believed they could...

FOOD SECURITY

TFG has partnered with Greyton Transition Town to establish vegetable gardens at 3 schools in Caledon. The vegetable gardens are to be maintained by learners, teachers and staff. Training is provided in gardening, nutrition and food preparation to support the...

EARLY CHILDHOOD DEVELOPMENT

TFG in partnership with the Nelson Mandela Children's Fund, assists financially with the training and empowering of community workers so that they can enter households and assist families with early childhood development (ECD). This helps to prepare the family for...
