SUSTAINABILITY

As an internationally operating fashion company we are aware of our social responsibility. Therefore, it is our commitment to shape our entrepreneurial activities in a responsible way for people and the environment. Our business policy therefore includes a balanced personnel policy and trusting relationships with business partners along the value chain. We also attach great importance to humane, safe and fair working conditions in our supplier companies and the reduction of environmental pollution. We see our commitment as an investment in the future.

SUSTAINABILITY

SOCIAL RESPONSIBILITY

We take our responsibilities to our employees and partners seriously. You can explore some of our initiatives here. [>](#)

SUSTAINABILITY

PRODUCTS

In setting and monitoring our high standards we can ensure the quality of our products all along the value chain. More about our product requirements can be found here. [>](#)

SUSTAINABILITY

ENVIRONMENTAL RESPONSIBILITY

We strive in numerous ways to reduce our environmental footprint. Discover more here. >
