Move Your Business Forward With Our Services

## IRMP®

Our Integrated Risk Management Program is a comprehensive, hands-on process that identifies the total commodity risk and develops integrated strategies to mitigate them.

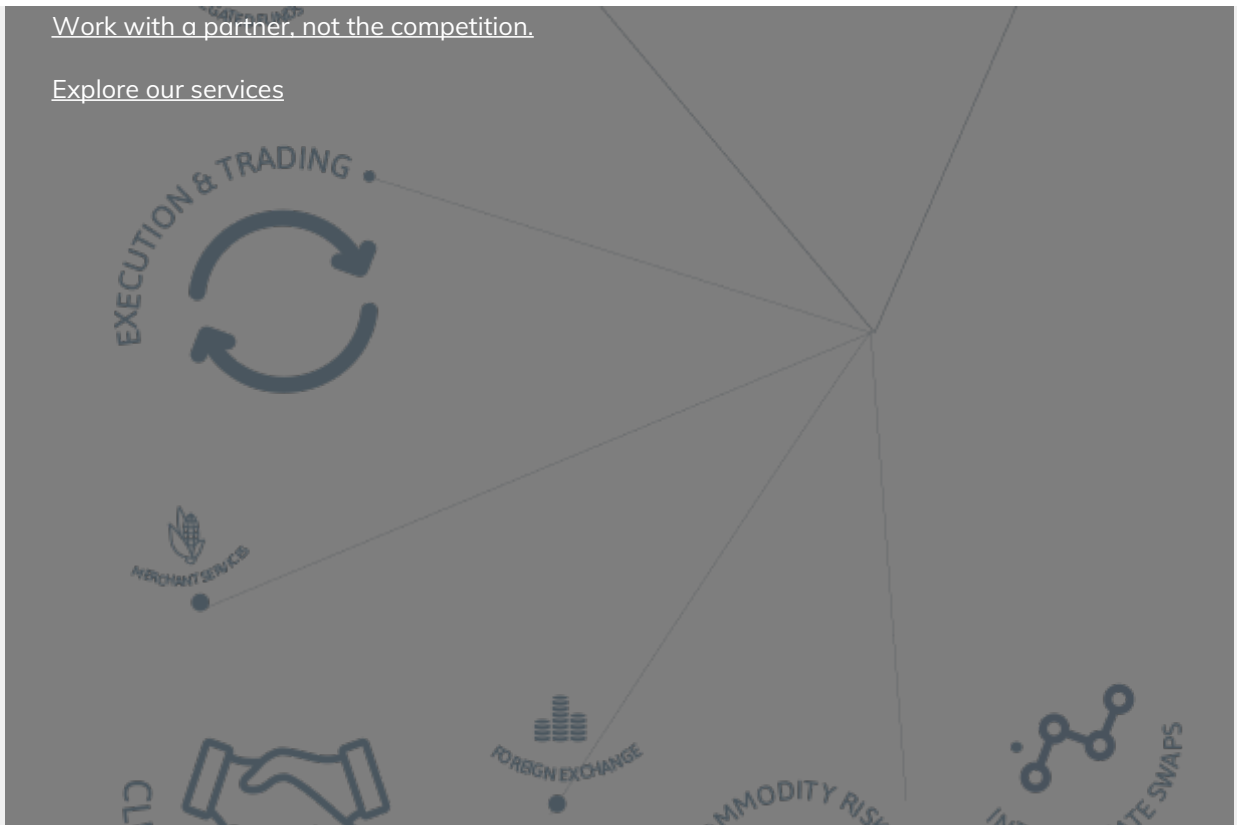

## Global Payments

INTL FCStone Ltd. specializes in transferring funds to the developing world and provides customized foreign exchange and treasury services to customers worldwide.

## Regional Financial Institutions

Work with a partner, not the competition.

Explore our services

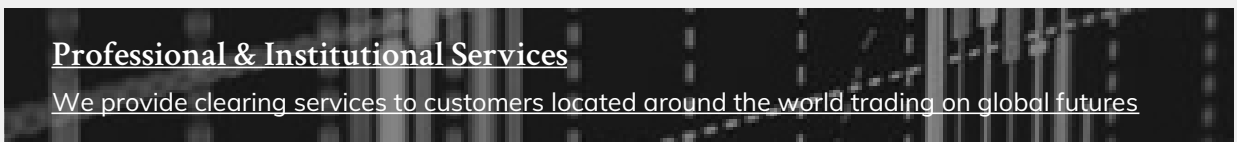

## OTC Products

Trading OTC products enables customers to construct hedges that can meet their unique needs more closely than hedges based on exchange-traded products alone.

## Professional & Institutional Services

We provide clearing services to customers located around the world trading on global futures

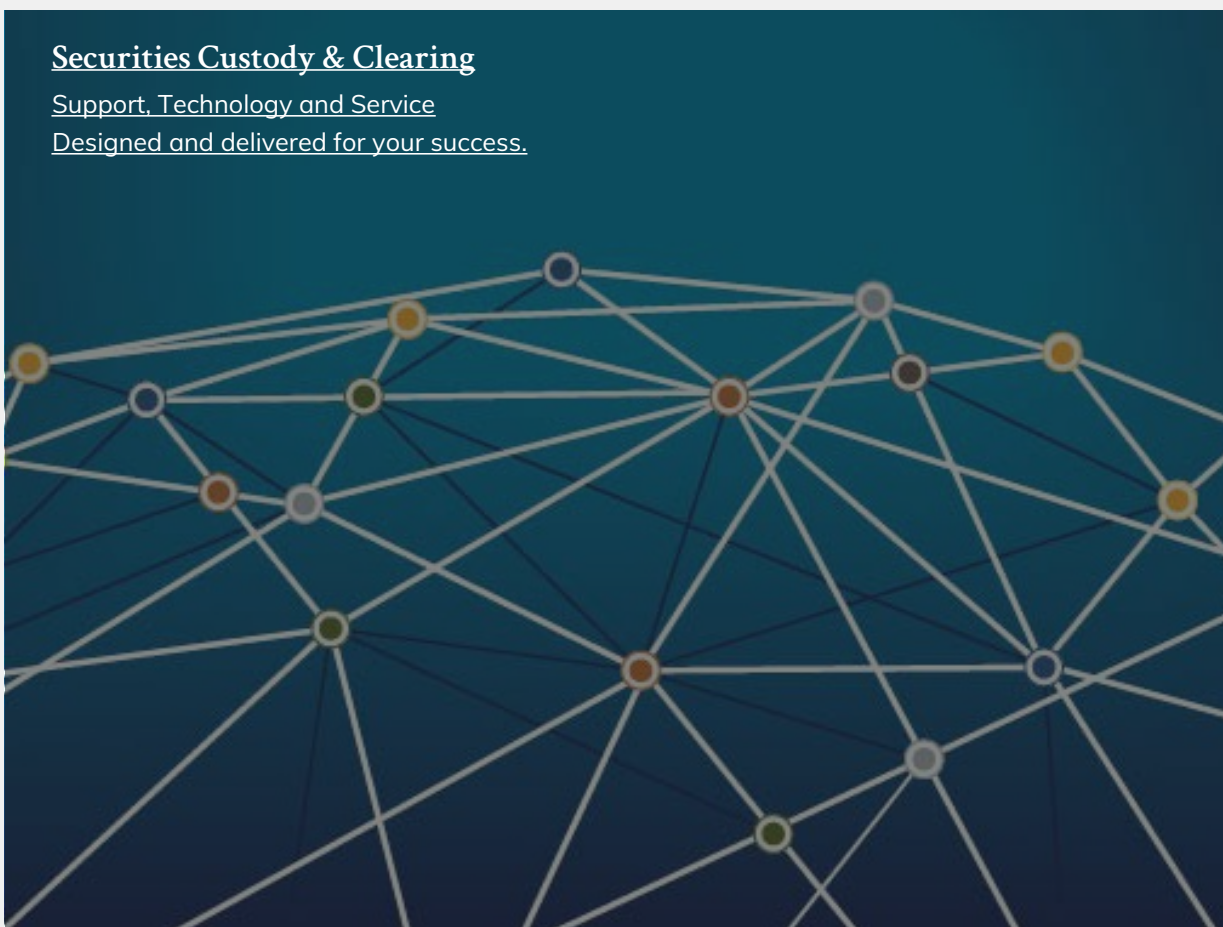

[and options exchanges.](#)
