Modern slavery and human trafficking

Our Board is committed to making sure that there is no slavery or human trafficking in any part of our business or our supply chain.

The Modern Slavery Act came into effect in March 2015. As one way of tackling the problem of modern slavery, the act requires that all commercial organisations, with a turnover of more than £36 million, provide an annual 'slavery and human trafficking' statement.

Our statement

Our statement, as required by law, sets out the steps we're taking to make sure that this doesn't happen.
