# Our purpose is to elevate the world by realizing the full potential within every one of us.

Our impact strategy is grounded in the United Nations' Sustainable Development Goals, which are global development and community goals that will help lead us to a better world. We focus on the areas of education, economic opportunity, and environmental stewardship, which are the most critical areas for our business and industry. Our impact strategy is a path to change for our employees, customers, and communities.

Our strategy is grounded in three interconnected pillars: social, environmental, and economic. Each pillar is supported by a set of goals and metrics that we track and report on. Our impact strategy is a path to change for our employees, customers, and communities.

Read our 2020 Impact Report to learn more about our impact strategy.
