OUR MISSION

- WE CARE. We are a family business.
- WE CARE. Social responsibility is an integral part of our corporate philosophy.
- WE CARE. Our interest is in people: Our customers, the people who work with us and those who work for us, and the generations who follow us.
- WE CARE. Entrepreneurial due diligence, responsible production, and the preservation of natural resources are our aspiration.
- WE CARE. We want to create more sustainability, more innovation, and thus more value – in our fashion and across our entire value chain.

OUR PRODUCTS

We provide our customers with fashion from responsible production. This is why all our products comply with strict minimum standards in the manufacturing process. Styles that have additional sustainable qualities, e.g. through our engagement for sustainable cotton cultivation or recycled materials, are marked with our WE CARE hangtag.
