Our Processes, Re-Imagined

We are committed to partnering with mills and factories that are environmentally responsible (like LEED[®]-certified Saitex, which uses renewable energy and recycled water) and Fair Trade Certified[™], to ensure that workers are treated well and empowered economically.

Shopping, Re-Imagined

We want to give customers a way to shop that reflects their (and our) values. That means more energy-efficient stores and distribution centers, and more sustainable packaging. Plus, for every package we ship, we work with UPS to offset the carbon that's produced.

Giving Back, Re-imagined

We believe our associates are one of our most powerful agents for change. The J.Crew Cares program helps create opportunities to give back—from volunteer projects to charitable donations—and support the communities where we (and our customers) live and work.
