Manager Of The Study Abroad and International Learning Office

 Goals / remit**Goals / remit of the organisation:**

The University has a proud heritage of educating people and advancing knowledge, making a difference to the world around us; having impact. We will build on this heritage through our commitment to high academic achievement, to supporting an inclusive learning and innovating community, and through a balance of scholarship, research and professional practice. The Corporate Plan sets out our overarching goals and character through vision and mission statements and our aims for students, staff and the local and global community.

Our vision

Our students will be sought after for their academic achievements, and their ability to shape society and contribute to the economy.

Our mission

To enhance students' life chances through inspiring learning, advancing knowledge, innovating professional practice and engaging with society.

Our aims**Our students:**

will study a curriculum that equips them with the academic, social, and personal skills to prosper in global and diverse enviro (...)
