## Who we are

We're a FTSE 100 company with £118.7 billion of client funds under management providing a range of wealth management solutions from investments to pensions. At St. James's Place, your relationship starts with us, rather than ends, at the point you decide to invest.

### Our strategy

We believe face-to-face financial advice and trusted services are key to delivering outcomes for both clients and shareholders.

[About our business](#)

### Our products & services

From investing for income to retirement planning and protection, we offer a range of products and services so you can find the right solutions for your needs.

[Find out more](#)

The value of an investment with St. James's Place is directly linked to the performance of the funds selected and may fall as well as rise. You may get back less than the amount invested.

### St. James's Place voted 'Best Wealth Manager'

06 Nov 2020

## Our Investment Management Approach

Our Investment Management Approach is based on a clear vision that the best talent is not confined to one firm or location, which drives

our desire to access the skills of leading investment managers around the globe. For that reason, we do not employ in-house investment managers, but carefully select and contract external fund managers from the whole world market.

[Our approach](#)

## Our Partnership

St. James's Place Partners are the crucial link between our company and our clients, forming long-term relationships based on trust and knowledge. We call them Partners because of the way they work with clients and their families.
