COMMUNITY

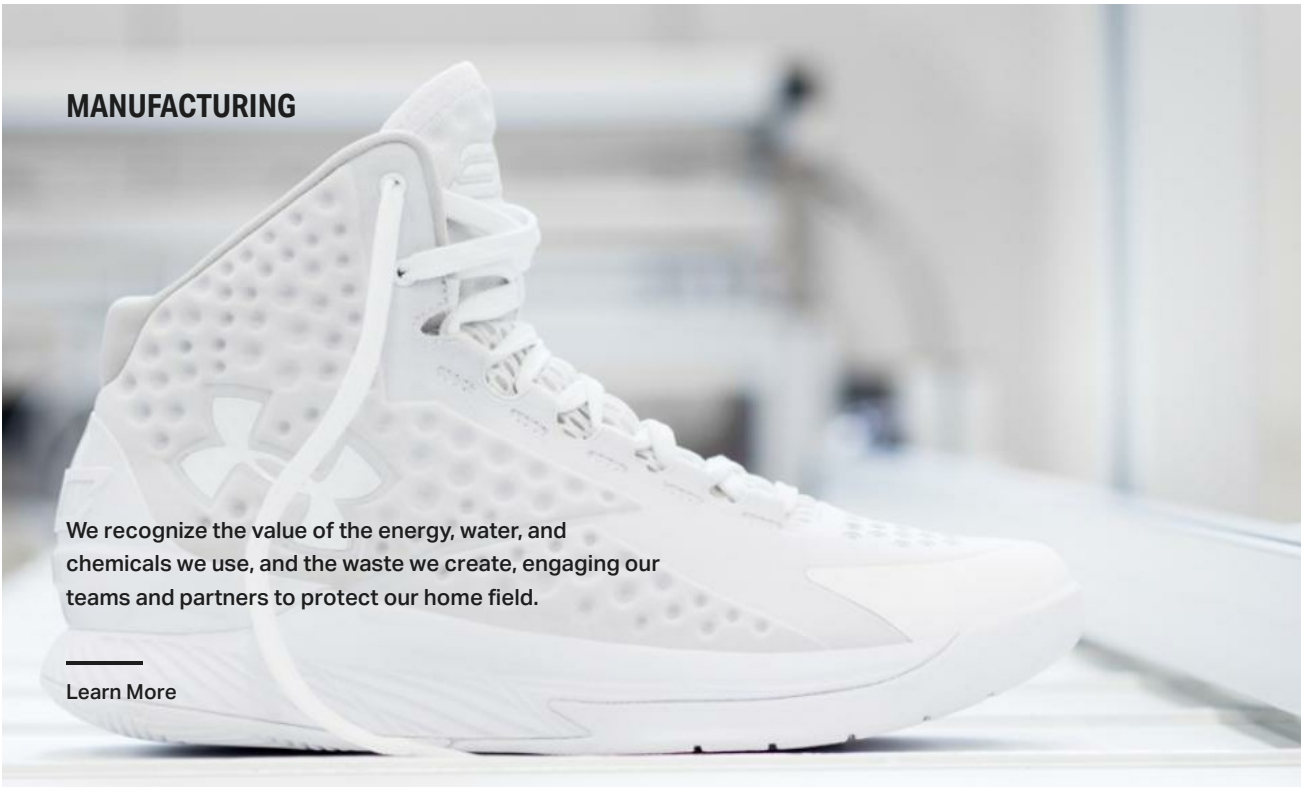

PRODUCT

For our consumers, product sustainability starts with the expectation that everything we make is built to last.

MANUFACTURING

A side-profile view of a white Under Armour sneaker with a perforated upper and a white lacing system. The shoe is positioned on a light-colored surface, likely a conveyor belt in a manufacturing facility. The background is blurred, showing industrial equipment and a bright, clean environment.

We recognize the value of the energy, water, and chemicals we use, and the waste we create, engaging our teams and partners to protect our home field.

FIND OUT MORE ABOUT UA

A horizontal banner featuring a woman with curly hair wearing a blue t-shirt with a 'GOTTA' logo. The background is dark with vertical patterns of white dots. The word 'NEWSROOM' is in a white box on the left, and the letters 'IGS' and '02' are partially visible at the bottom left.
