

# Modern slavery

Modern slavery is a terrible, often hidden, crime. In accordance with the UK Modern Slavery Act 2015, it includes slavery, servitude, forced and compulsory labour and human trafficking. Combating modern slavery and other human rights abuses is an ongoing commitment at IHG, and we continue to develop our policies and processes in support of this.

As a global leader in the hospitality and tourism sector, we believe we have an opportunity to affect positive change in people's lives. We seek to advance human rights through our business activities and by working together with others to identify challenges and are committed to ongoing human rights due diligence.
