

OUR HISTORY

Innovation has been part of our DNA since our story began in 1936.

84

YEARS AGO

Established in Tacoma, WA by Frank Russell

51

YEARS AGO

We were a pioneer in institutional investment consulting. Our first consulting client, JCPenney is still with us today.

40

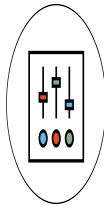

YEARS AGO

We helped pioneer the OCIO industry with our first outsourced client.

35

YEARS AGO

We invented the first smart-beta strategies with the creation of small cap, growth and value styles.

35

YEARS AGO

We launched multi-asset portfolios for advisers serving individual investors.

25

YEARS AGO

We invented an effective way to manage portfolio transitions.

17

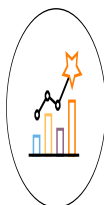

YEARS AGO

We launched our tax-smart investment solutions.

16

YEARS AGO

We increased our focus on asset management, reaching \$100 billion in AUM.

TODAY

\$3.3t+

in assets under advice

\$400b+

in assets under management

We manage over \$413. billion on behalf of institutions, advisers and the individuals they represent.

AUM as of 6/30/2020 & AUA as of 12/31/2018
