Our Approach

All of our stakeholders – from the board to senior management and employees, through to our supply chain partners – are committed to making a positive contribution to the community and the environment.

Responsible Drinking

More Information: drinkwise.org.au

At Australian Vintage we support the responsible consumption of alcohol. We are committed to combating alcohol misuse, raising consumer awareness and setting and maintaining world class standards in responsible marketing. We are involved in, and support, a number of initiatives that address the societal impact of the misuse of alcohol. Our approach is simple. To set world-class standards for responsible marketing and product innovation, raise consumer awareness of responsible drinking behaviour, combat alcohol misuse and work with others to reduce alcohol-related harm.
